Subject: Dimock Data

Steph,

Jim Bennett from the Water Division is their lead person for receipt and review of the data at Dimock. Pls reach out to him. We need to coordinate our efforts and ensure that we do a good job in reporting up the chain on this site and not duplicate effort. Jim has been cleared to come out to the site and meet with us. Pls discuss the data situation between the two of you and then let me know your game plan. Thanks. Rich
